First-Time User Sign-In

8

For new users, the system will prompt them to change their password, click Ok button

9

Fill in current password, new password and re-enter new password and click change password button. (at least 12 character, have non-alphanumeric (e.g.: !@#\$%&*), one lowercase (e.g.: abcde), one uppercase letter (e.g.: ABCDE) and have one number (e.g.: 12345))

A screenshot of a web application interface showing the "Change Password" form. The form is part of a user profile page with tabs for "Overview", "Edit Profile", and "Change Password". The "Change Password" tab is active. The form contains three input fields: "Current Password", "New Password", and "Re-enter New Password". Each field is a white box with a grey border and a small eye icon on the right side to toggle password visibility. The "Current Password" field is filled with eight dots. Below the input fields is a blue button with the text "Change Password" in white. The button is circled with a red line. The background of the application is light grey.
